# Sacred Healing Journey PERU

**October 15-26, 2008**

at

**HAMPICHICUY Healing Centre,**  
*("the place where they cure" in Quechua)*

**Experience personal growth & transformation through traditional Amazon plant medicine  
with  
Don Guillermo Ojanama, Mama Dorita, Javier Zavala & Eda Zavala**

"The Amazon, Hampichicuy, my teachers, and the medicinal plants offer men and women an opportunity to connect themselves with the most profound depths of their being and emotions. They will learn to find their soul and remember the spirit world of Mother Nature and the Universe; they will learn to know themselves better; and they will gain the certainty that Mother Nature is unique, powerful, and vulnerable, and greatly needs our love and respect. They will also learn that the Amazon is beautiful and that the plant medicines show us to connect with that magic and wisdom that only Mother Nature contains.

This is not an exotic adventure; this is an individual magical, spiritual experience with the ancestral Amazonian plant medicine."

~Eda Zavala

*We invite you to share in this encounter of
